REQUEST FOR CERTIFICATE OF CORRECTION OF OFFICE  
MISTAKE UNDER 37 C.F.R. SECTION 1.322(b)

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

In accordance with the provisions of 37 C.F.R.  
§ 1.322(b), the Patent Office is respectfully requested to  
correct matters in the above-identified patent in  
accordance with the Certificate of Correction Form PTO-1050  
attached hereto.

Because a Certificate of Correction will still  
leave the public unable to comprehend the corrections, the  
Patent Office is requested to issue a corrected patent in  
lieu thereof as a more appropriate form for certificate of  
correction. However, if the Patent Office believes that a  
Certificate of Correction is more appropriate, it is  
requested to issue a Certificate of Correction on the  
above-referenced Patent Document, and to place such a  
Certificate of Correction in the file, so that such will

appear on any copies of the patent which are ordered in the future.

The corrections being made are of consequence to provide the proper recitation in the spelling of the inventor's name. Several of the mistakes occurred in good faith and are not the fault of the Patent and Trademark Office. However, three printing errors of the Patent Office are also being corrected. No new matter is added by these corrections.

The requisite fee as set forth in 37 CFR § 1.20(a) in the amount of \$100.00 is being paid by credit card on EFS-Web. The Commissioner is authorized to charge or credit any discrepancies in fee amounts to Deposit Account 01-0484.

Respectfully submitted,

---
